

TeamSystem Appoints Pietro Maranzana as Chief Financial Officer

Pesaro, November 20, 2024 – TeamSystem S.p.A., the leading provider of cloud-based mission critical ERP, financial management system and e-invoicing software for micro, small and mid-market businesses as well as professional customers in Italy and a growing international presence, announces the appointment of Pietro Maranzana as CFO of the Group.

Mr. Maranzana brings a wealth of experience from his leadership roles as head of two Venture Capital Funds at Cassa Depositi e Prestiti (CDP) for the past two years, and at SKY Group, where he spent 17 years and held key executive positions such as CFO, COO, CCO, both in Italy and abroad, and served as managing director of the SKY Broadband business. He previously spent five years in strategy and management consulting at Value Partners.

Tommaso Cohen, who has been serving as both COO and CFO and has been with the Group since 2015, will continue in his role as COO, leveraging on his extensive experience and deep knowledge of the Group to steer and oversee the Group's financial performance alongside Mr. Maranzana, thus ensuring business and leadership continuity.

This press release may constitute a public disclosure of inside information by TeamSystem S.p.A. under Regulation (EU) 596/2014 and any relevant implementing rules and regulations.
